Dear Marc, Barbara, and Claudia,

We just wanted to tell you again how much we enjoyed the time we spent with you in Switzerland. You put together a tour that showed the wonders of Switzerland to six eccentric adults and ten children (aged 5 through 21!) while feeding, lodging, and transporting us with such perfection that we didn't have one moment of angst the entire time.

After fifteen years of traveling together, we know how difficult it is to find activities that appeal to such a wide range of ages and interests, not to mention how hard it is to painlessly feed and move a large group. You did an outstanding job at both. This was the best vacation we've ever had. We enjoyed every minute!

From experience, we know the enormous amount of work it takes behind the scenes to make this happen, and we are deeply grateful for your attention to detail. You made our first visit to Switzerland so delightful that we all agreed that we'd like to come back and see more!

We will certainly recommend TravelWell to friends who will appreciate the quality of your work. Thank you for a truly memorable trip!

Best always,

Jonice & Steve Patrick

p.s. Your "Don't Forget Switzerland" gifts saved our lives in Italy - everything in them was used and appreciated, especially the water (on the train!), the Swiss Army knives, the bandages (after using the Swiss Army knives), and the delicious chocolate. The Swiss backpacks can now be seen on the subways of Tokyo, proudly worn by our children!
